

# British Standard Colours: Extended BS 4800

British Standard colours are the standard colours in the UK used for identification, coding and other special purposes for building and decorative paint. The most commonly used BS colours are BS 381C, BS 2660, BS 5252 and BS 4800.

Please note that these colour swatches are for guidance only. Every effort is made to match the BS colours as closely as possible but the colours you see will vary according to your monitor and browser, while pearl and metallic colours cannot be properly displayed.
